

Teleschool Information for Roswell High School

Per the District's plan, each subject has a day for assignments. However, many teachers are making work available beforehand for students to self-pace and personalize their learning. Be advised that Advanced Placement students may have additional assignments aligned to course expectations and exam preparation. Teachers have been asked to provide, at a minimum, 120 minutes of instruction per subject, per week

| | Monday | Tuesday | Wednesday | Thursday | Friday |
|---------|-------------|---------|---------------------------|----------|----------------|
| Subject | ELA/English | Math | Electives/World Languages | Science | Social Studies |

Teachers will be available via email during work hours (Monday through Friday, 8:00 am – 4:00 pm). Please allow teachers at least 24 business hours to return emails, but most will do it much sooner. Many teachers are also planning on scheduling “real-time” online help sessions through a platform such as *Google Hangout* or *Microsoft Teams*.

Please contact the course teacher if you have any questions, For a list of all Roswell teachers, please click [HERE](#).

Technology Help-Line opens Monday, March 16. The hours will be Monday-Friday from 8:00 am-4:30 pm. The number to dial is (470)254-HELP (4357).

If a parent or student has questions that are not answered, please contact the Department Chair and or the Administrator for that Department.
